**Question #2** The pace of Math 3IA3 last term was

Question #3 My opinion of quizzes in tutorials is:

- (A) Excellent: they force me to stay on top of the material
- (B) Good: overall positive, but adds stress to life
- (C) Neutral: don't care if we have them or not
- (D) Bad: hate them, yuck
- (E) Horrible: I might drop the course if there are quizzes

**Question #4** Simple vote wrt quizzes:
